

Contentious procedure before the Court of Appeal

Pilot: The authority of appeal specified by the State (Article 78)

The authority or court of appeal verifies the merits of the enforcement application and the grounds for the challenge provided by the parties. It grants or refuses enforcement of the decision on its territory.

1. Acteurs	1
2. Actions	1

1. Acteurs

- The authority of appeal specified by the State (Article 78)

2. Actions

The court seised with an application for the recognition of a decision given by a court of another participating State grants or refuses the requested authorisation. It must not review the substance of the case.
